

We are currently looking for an individual to act as a trader/broker for the supply of fuel to customers through the development and maintenance of long term business relationships with current and potential clients.

**Summary of responsibilities:**

- Conducting market research to identify prospective new customers and winning new business
- Marketing Integr8 to 3rd party customers
- Bunker procurement for a range of third party customers
- Planning ideal bunkering ports for the voyage the vessel is planning
- Managing bunkers for your own fleet of Navi8 ships
- Liaising daily with existing 3rd party customers
- Liaising daily with suppliers
- Maintaining and improving the Bunker Trading Platform

**Skills and experience:**

- Ideally 1-3 years' experience as a bunker trader
- Existing client relationships and a portfolio of clients
- Proven ability to develop business
- Strong sales track record
